Re: CC Docket No. 02-6
Request for Waiver

Dear FCC:

The purpose of this letter is to file a request of waiver for our school district's Form 471 which was postmarked outside of the window.

Below is information relating to our Form 471 outside of window waiver request:

Appellant/Contact Person:	Kathy Beevers, Business Manager
Applicant:	Kingsland Public Schools
Address:	705 N. Section Avenue Spring Valley, MN 55975
E-mail:	kbееvers@kingsland.k12.mn.us
Telephone:	(507) 346-7276 ext. 4001
Fax:	(507) 346-7278
BEN:	133756
Form 471 Application #:	875488

Request: I am submitting this appeal to request that the window be extended by six calendar days. (March 26, 2012 vs. March 20, 2012)

Reason for Request: I missed filing the USAC Form 471 by six calendar days due to illness. I work for a small school district, so there was not a substitute for me or someone else in my department to pick up my work load during my absence. I don't feel that my school district should lose out on e-Rate funding due to my absence/error. I have never submitted the Form 471 late before or asked to appeal a window date.

Thank you in advance for considering my request. If you have any questions or should need further information, please feel free to contact me.

Sincerely,

Kathy Beevers
Business Manager
